

CURRICULUM VITAE

James Algina
**Emeritus Professor of Education, School of Human Development and Organizational
Studies in Education**
University of Florida
2711N Norman Hall
Gainesville, Florida 32611
algina@ufl.edu

EDUCATION

Graduate

1976 University of Massachusetts Ed.D.
Major: Psychometrics, Statistics
Minor: Educational Psychology

Undergraduate

1971 University of Rhode Island B.A.
Major: Psychology
Minor: English

PROFESSIONAL EXPERIENCE

6/2013-present Emeritus Professor of Education, School of Human Development and
Organizational Studies in Education, College of Education, University of
Florida

8/2009-6/2013 Professor of Education, School of Human Development and
Organizational Studies in Education, College of Education, University of
Florida

11/2009-6/2010 Acting Director, School of Human Development and Organizational
Studies in Education, College of Education, University of Florida

7/1999-8/2009 Professor of Education, Department of Educational Psychology, College
of Education, University of Florida

2001-2003 University of Florida Research Foundation Professor

7/1997-6/1998 Acting Chair, Foundations of Education Department, College of
Education, University of Florida

8/1983-8/1995 Chair, Foundations of Education Department, College of Education,
University of Florida

9/1985-6/1999 Professor of Education, Foundations of Education Department, College of Education, University of Florida

9/1980-8/1985 Associate Professor of Education, Foundations of Education Department, College of Education, University of Florida

9/1978-8/1980 Assistant Professor of Education, Foundations of Education Department, College of Education, University of Florida

1977-8/1978 Assistant Professor of Education, Program in Educational Research Methodology, School of Education; Center Associate, Learning Research and Development Center, University of Pittsburgh

1975-1976 Assistant Professor of Medical Education, Center for Educational Development, University of Illinois at the Medical Center, Chicago

PROFESSIONAL SERVICE

Co-Editor, *American Educational Research Journal*, Section on Teaching, Learning, and Human Development, 1996-1998

Editor, *Journal of Educational Measurement*, 1990-1992

Advisory Editor, *Journal of Educational Measurement*, 1986-1989, 1996-2013

Board of Cooperating Editors, *Educational and Psychological Measurement*, 1995-2010

Consulting Editor, *Journal of Experimental Education*, 1996-2013

Editorial Board, *Contemporary Educational Psychology*, 1996-2014

Editorial Board, *Psychological Methods*, 1999-2013

Editorial Board, *Psychological Bulletin*, 1994-1996

Advisory Editor, *Journal of Educational Psychology*, 1980-1989

Chair, Nominating Committee, Division D, AERA, 1995-1996

Member, Publications Committee, National Council on Measurement in Education, 1993-1997

Member, Nominating Committee, Division D, AERA, 1994-1995

Occasional Reviewer, *Applied Educational Measurement*, *Applied Psychological Measurement*, *British Journal of Mathematical and Statistical Psychology*, *Multivariate Behavioral Research*, *Psychometrika*, *Journal of Educational and Behavioral Statistics*

President, Educational Statisticians, A Special Interest Group of AERA, 1984-1985

Program Chair and President Elect, Educational Statisticians, A Special Interest Group of AERA, 1983-1984

Secretary-Treasurer, Educational Statisticians, A Special Interest Group of AERA, 1979-1981

COMPLETED STUDIES

Dissertation

1. **Algina, J.** (1976). *A generalized longitudinal factor model for the analysis of change* [Unpublished doctoral dissertation]. University of Massachusetts.

Books

1. Legg S. M., & **Algina, J.** (Eds). (1990). *Cognitive assessment of educational outcomes*. Ablex.
2. Crocker, L., & **Algina, J.** (1986). *Introduction to classical and modern test theory*. Holt, Rinehart, & Winston.

Book Chapters

1. Bishop, C. D., Snyder, P. A., **Algina, J.**, & Leite, W. (2016). Expanding frontiers in research designs, methods and measurement in support of evidence-based practice in early childhood special education. In B. Reichow, B. A. Boyd, E. E. Barton, & S. L. Odom (Eds.), *Handbook of early childhood special education* (pp. 501-540). Springer.
2. **Algina, J.**, & Swaminathan H. (2011). Centering in two-level nested designs. In J. J. Hox & J. K. Roberts (Eds.), *Handbook of advanced multilevel analysis* (pp. 285-312). Routledge.
3. **Algina, J.**, & Penfield, R. D. (2009). Classical test theory. In R. E. Millsap & A. Maydeu-Olivares (Eds.), *The SAGE handbook of quantitative methods in psychology*. Sage Publications.
4. Keselman, H. J., **Algina, J.**, Boik, R. J., & Wilcox, R. R. (1999). New approaches to the analysis of repeated measurements. In B. Thompson (Ed.), *Advances in social science methodology* (Vol. 5, pp. 251-268). Jai.
5. **Algina, J.**, & Coombs, W. T. (1996). A review of selected parametric solutions to the Behrens-Fisher problem. In B. Thompson (Ed.), *Advances in social science methodology* (Vol. 4, pp. 137-171). Jai.
6. Keselman, H. J., & **Algina, J.** (1996). The analysis of higher-order repeated measures designs. In B. Thompson (Ed.), *Advances in social science methodology* (Vol. 4, pp. 45-70). Jai.

7. **Algina, J.** (1989). Elements of classical reliability theory and generalizability theory. In B. Thompson (Ed.), *Advances in social science methodology* (Vol. 1, pp. 137-169). Jai.
8. **Algina, J.,** & Legg, S. M. (1987). Technical issues. In L. M. Rudner (Ed.), *What's happening in teacher testing: An analysis of state teacher testing programs* (pp. 135-138). Office of Educational Research and Improvement.
9. Hambleton, R. K., Swaminathan, H., & **Algina, J.** (1976). Some contributions to the theory and practice of criterion-referenced testing. In D. N. M. de Gruijter, L. J. Th. van der Kamp, & A. F. Crombag (Eds.), *Perspectives in psychological and educational measurement*. Wiley.

Encyclopedia Articles

1. **Algina, J.,** & Swaminathan, H. (2015). Psychometrics: Classical test theory. In J. D. Wright (Ed.), *International encyclopedia of the social and behavioral sciences* (2nd ed., pp.423-430). Elsevier.
2. **Algina, J.,** & Keselman, H. J. (2010). Semipartial correlation coefficient. In N. J. Salkind (Ed.), *Encyclopedia of research design* (Vol. 1, pp. 1335-1337). Sage Publications.
3. Keselman, H. J., & **Algina, J.** (2010). Student's t test. In N. J. Salkind (Ed.), *Encyclopedia of research design* (Vol. 1, pp. 1462-1469). Sage Publications.
4. **Algina, J.** (2008). Behrens-Fisher problem-II. In S. Kotz, C. B. Read, & D. L. Banks (Eds.), *Encyclopedia of statistical sciences online*. John Wiley.
5. **Algina, J.** (1999). Behrens-Fisher problem-update and extensions. In S. Kotz, C. B. Read, & D. L. Banks (Eds.), *Encyclopedia of statistical science*. John Wiley.
6. **Algina, J.** (1998). The Aspin-Welch test. In P. Armitage & T. Colton (Eds.), *Encyclopedia of biostatistics* (Vol. 1, pp. 201-202). John Wiley.
7. **Algina, J.** (1992). Reliability of measurement. In M. C. Alkin (Ed.), *Encyclopedia of educational research* (pp. 1090-1093). Macmillan.

PAPERS PRESENTED AT CONFERENCES

1. Daunic, A., Worth, M., Poling, D., **Algina, J.**, Corbett, N., Smith, S. W., & Crews, E. (2019, April). *Efficacy of a K-1 social-emotional learning intervention for students at-risk for EBD: Exploring moderation effects* [Paper presentation]. Annual Meeting of the American Educational Research Association, Toronto, ON, Canada.
2. Daunic, A. P., Corbett, N. L., Smith, S. W., **Algina, J.**, Poling, D., Worth, M., & Crews, E. (2019, March). *Efficacy of a K-1 social-emotional learning intervention for students at-risk for EBD: Initial findings* [Presentation]. Annual Meeting of The Society for Research on Educational Effectiveness, Washington, DC, United States.
3. Daunic, A. P., Corbett, N. L., Smith, S. W., & **Algina, J.** (2019, January). *Efficacy of the SELF Intervention: Findings from years 1 and 2 of a goal 3 cluster randomized efficacy study to evaluate effects of the social-emotional learning foundations curriculum for K-1 students at risk for EBD* [Poster presentation]. U.S. Department of Education, Institute of Education Sciences, 2019 Principal Investigators Meeting, Washington, DC, United States.
4. Corbett, N. L., Daunic, A. P., Smith, S. W., & **Algina, J.** (2018, July). *Merging social-emotional learning and literacy instruction for k-1 students at risk for*

- emotional/behavioral problems* [Presentation]. Annual Meeting of the Division of International Special Education and Services, Cape Town, South Africa.
5. Corbett, N., Daunic, A., Smith, S., **Algina, J.**, Crews, E., Calhoun, A., Poling, D., Riddle, D., Worth, M., & Yaraghchi, M. (2018, February). *The Social-Emotional Learning Foundations (SELF) curriculum: Preliminary results from a randomized control trial* [Paper presentation]. Annual Meeting of the Council for Exceptional Children, Tampa, FL, United States.
 6. Daunic, A. P., Corbett, N. L., Smith, S. W., & **Algina, A.** (2018, January). *Evaluating a social-emotional learning curriculum for children at risk for emotional and behavioral disorders* [Poster presentation]. U.S. Department of Education, Institute of Education Sciences, 2018 Principal Investigators Meeting, Washington, DC, United States.
 7. Clark, C., Snyder, P., Conroy, M., & **Algina, J.** (2017, October). *Effects of family supports and risk on Early Head Start outcomes* [Presentation]. Council for Exceptional Children, Division for Early Childhood's 33rd Annual International Conference on Young Children with Special Needs and Their Families, Portland, OR, United States.
 8. Corbett, N., Daunic, A., Smith, S., **Algina, J.**, & Crews, E. (2017, October). *Evaluating a social-emotional learning curriculum for children at risk for emotional and behavioral disorders* [Poster presentation]. Division of Early Childhood, Council for Exceptional Children, Annual Meeting, Portland, OR, United States.
 9. Conroy, M., Sutherland, K., Werch, B., & **Algina, J.** (2017, April). *Preventing early childhood challenging behaviors: The clinical significance of BEST in CLASS* [Presentation]. Council for Exceptional Children 2017 Convention and Expo, Boston, MA, United States.
 10. Bae, J., Griffin, C. G., & **Algina, J.** (2016, April). *Capturing mathematics instruction with a person-oriented methodological approach: Use of latent class analysis* [Paper presentation]. Annual Meeting of the American Educational Research Association, Chicago, IL, United States.
 11. Conroy, M., Sutherland, K. S., & **Algina, J.** (2016, April). *Reducing problem behaviors in young children: The BEST in CLASS efficacy trial* [Presentation]. National Center Special Education Research Evidence-based Practices Strand. Council for Exceptional Children, St. Louis, MO, United States.
 12. Conroy, M., Sutherland K., & **Algina, J.** (2016, June). *Disruptive behavior problems in early childhood: Examining impacts on costly child outcomes and effects of intervention efforts targeting these behaviors*. The Society for Prevention Research Annual Meeting, San Francisco, CA, United States.
 13. Hemmeter, M. L., Snyder, P., Fox, L., & **Algina, J.** (2016, April). *Research on Pyramid Model practices: Findings, issues, and implications* [Presentation]. 2016 National Training Institute on Effective Practices: Addressing Challenging Behavior, St.

Petersburg, FL, United States.

14. Huggins-Manley, A. C., Zhou, S., & **Algina, J.** (2016, November). *The semi-PCM and semi-GPCM for non-responses in measurement data* [Presentation]. 2016 Annual Meeting of the Florida Educational Research Association, Lakeland, FL, United States.
15. Martinez, R. G., **Algina, J.**, Conroy, M., Sutherland, K. S., & McLeod, B. (2016, October). *Relation between classroom atmosphere and treatment integrity in early childhood settings* [Presentation]. Association for Behavioral and Cognitive Therapies Conference, New York, NY, United States.
16. Sutherland, K., Conroy, M., & **Algina, J.** (2016, June). *Improving teacher-child relationships and interactions within a tier-2 program in preschool classrooms* [Poster presentation]. The Society for Prevention Research Annual Meeting, San Francisco, CA, United States.
17. Conroy, M., Sutherland, K., & **Algina, J.** (2016, June). *Teacher and child outcomes of the Best in CLASS efficacy trial* [Poster presentation]. The Society for Prevention Research Annual Meeting, San Francisco, CA, United States.
18. Wu, E., **Algina, J.**, Conroy, M., McLeod, B., & Sutherland, K. S. (2016, October). *Does treatment integrity predict early childhood outcomes in a school-based intervention?* [Poster presentation]. Dissemination and Implementation Science Pre-Conference at the Annual Association for Behavioral and Cognitive Therapies Conference, New York, NY, United States.
19. Wang, F., **Algina, J.**, Snyder, P., Cox, M., & the FLP Key Investigators. (2015, March). *Child, parent, and family predictors of parental responsiveness to and acceptance of the child at home* [Poster presentation]. Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA, United States.
20. Wang, F., Conroy, M., **Algina, J.**, & Sutherland, K. (2015, March). *Investigating the influence of a classroom-based intervention on the experiences of preschoolers with chronic problem behavior* [Poster presentation]. Biennial Meeting of the Society for Research in Child Development, Philadelphia, PA, United States.
21. Bishop, C., Snyder, P., & **Algina, J.** (2014, September). *Exploring measurement invariance for the ECERS-R and the Arnett Caregiver Interaction Scale: Findings from the Early Childhood Longitudinal Study, Birth Cohort* [Laptop presentation]. Society of Research Educational Effectiveness Conference, Washington, DC, United States.
22. Clark, C., Warner, T. D., **Algina, J.**, Snyder, P., Eyler, F. D., & Behnke, M. (2014, May). *Home environment, family social support, and cognitive and motor development of infants and toddlers of mothers with multiple risks: Parallel process latent growth curve analysis*. Pediatric Academic Societies, Vancouver, BC, Canada.
23. Conroy, M., Sutherland, K., **Algina, J.**, Barnes, T., Wang, F., & Ladwig, C. (2014,

- May). *The relationship between teacher-child interactions and young children's problem behavior: Preliminary findings* [Poster presentation]. Society for Prevention Research 22nd Annual Meeting, Washington, DC, United States.
24. Aydin, B., **Algina, J.**, & Leite, W. L. (2015, April). *Methods to detect treatment effect in cluster randomized trials* [Paper presentation]. Annual Meeting of the American Educational Research Association, Philadelphia, PA, United States.
 25. Griffin, C. G., Dana, N. F., Pape, S. J., Bae, J., Prosser, S., & **Algina, J.** (2015, April). *Prime Online: Teacher professional development for inclusive elementary mathematics classrooms* [Paper presentation]. Annual Meeting of the American Educational Research Association, Philadelphia, PA, United States.
 26. Hemmeter, M. L., Snyder, P., Fox, L., & **Algina, J.** (2014, April). *Research on the Pyramid Model: Current findings and implications* [Presentation]. 11th Annual National Training Institute on Effective Practices, St. Petersburg, FL, United States.
 27. Bishop, C., Snyder, P., & **Algina, J.** (2014, February). *Exploring measurement invariance for the ECERS-R and the Arnett Caregiver Interaction Scale: Findings from the Early Childhood Longitudinal Study, Birth Cohort* [Poster presentation]. 9th Biennial Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
 28. Clark, C., **Algina, J.**, Warner, T., & Snyder, P. (2014, February). *Exploration of quality of the home environment, family social supports, and cognitive and motor development for infants and toddlers from families with multiple risks: A parallel process growth curve analysis* [Poster presentation]. 9th Biennial Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
 29. Conroy, M., Sutherland, K., **Algina, J.**, Barnes, T., Wang, F., Martinez, J., & Ladwig, C. (2014, February). *A preventative classroom-based intervention model for ameliorating problem behaviors in young children* [Poster presentation]. 9th Biennial Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
 30. McLaughlin, T., Snyder, P., & **Algina, J.** (2014, February). *Using Generalizability Theory to examine the dependability of scores from the learning target rating scale* [Poster presentation]. 9th Biennial Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
 31. Wang, F., **Algina, J.**, Snyder, P., & Cox, M. (2014, February). *Using qualitative rating methodology and latent class analysis to identification of young rural children with vulnerabilities and strengths* [Poster presentation]. 9th Biennial Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
 32. Bishop, C., Snyder, P., & **Algina, J.** (2013, October). *Examining child care quality for young children with special needs* [Poster presentation]. 2013 Annual Meeting of the Division for Early Childhood, San Francisco, CA, United States.

33. Rong, J., & **Algina, J.** (2013, April). *Variables influencing factor recovery in exploratory factor analysis with ordinal data* [Paper presentation]. Annual Meeting of the American Educational Research Association, San Francisco, CA, United States.
34. Aydin, B., & **Algina, J.** (2012, November). *Methods to detect treatment effect in cluster randomized trials with small level-1 sample sizes* [Presentation]. 2012 Annual Meeting of the Florida Educational Research Association, Gainesville, FL, United States.
35. McLaughlin, T., Snyder, P., & **Algina, J.** (2012, November). *Functional ability profiles and young children's social competence: Exploring relationships in the Pre-Elementary Education Longitudinal Study data set* [Poster session presentation]. International Division for Early Childhood, Minneapolis, MN, United States.
36. McLaughlin, T., Snyder, P., & **Algina, J.** (2012, April). *Functional ability profiles and young children's social competence: Exploring relationships in the Pre-Elementary Education Longitudinal Study data set* [Presentation]. Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
37. Snyder, P., Hemmeter, M. L., Sandall, S., Mclean, M., McLaughlin, T., & **Algina, J.** (2012, February). *Impact of professional development on preschool teachers use of embedded-instruction practices* [Presentation]. Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
38. Gao, M., & **Algina, J.** (2011, November). *Investigating context effect in a simulation study: A multilevel latent model* [Paper presentation]. Annual Meeting of the Florida Educational Research Association, Orlando, FL, United States.
39. Hemmeter, M. L., Snyder, P., Fox, L., & **Algina, J.** (2011, May). *Professional development related to the teaching pyramid model for addressing the social emotional development and challenging behaviors of young children* [Paper presentation]. 2011 International Society on Early Intervention Conference, New York, NY, United States.
40. Aydin, B., Leite, W., & **Algina, J.** (2011, April). *Comparison of latent growth models with different time coding strategies in the presence of inter-individually varying time points of measurement* [Presentation]. Annual Meeting of the American Educational Research Association, New Orleans, LA, United States.
41. Koo, N., Leite, W. L., & **Algina, J.** (2011, April). *Impact of ignoring time series processes in error structure in growth mixture modeling* [Presentation]. Annual Meeting of the American Educational Research Association, New Orleans, LA, United States.
42. Marshik, T. T., Ashton, P. T., & **Algina, J.** (2011, April). *Teachers' and students' psychological need satisfaction as predictors of students' academic achievement* [Presentation]. Annual Meeting of the American Educational Research Association, New Orleans, LA, United States.

43. Zhang, L., Jin, R., Leite, W. L., & **Algina, J.** (2011, April). *Additive models for multitrait-multimethod data assuming a multiplicative trait-method relationship: A simulation study* [Presentation]. Annual Meeting of the American Educational Research Association, New Orleans, LA, United States.
44. Aydin, B., Leite, W., & **Algina, J.** (2010, November). *Comparison of latent growth models with different time coding strategies in the presence of inter-individually varying time points of measurement* [Paper presentation]. Annual Meeting of the Florida Educational Research Association, Orlando, FL, United States.
45. Zhang, L., Jin, R., Leite, W. L., & **Algina, J.** (2010, November). *Additive models for multitrait-multimethod data assuming a multiplicative trait-method relationship: A simulation study* [Presentation]. Annual Meeting of the Florida Educational Research Association, Orlando, FL, United States.
46. Cordell-McNulty, K., Ashton, P. T., & **Algina, J.** (2010, May). *Predictors of college success and retention in a bio-ecological framework*. Annual Meeting of American Educational Research Association, Denver, CO, United States.
47. Liu, F., Black, E. W., & **Algina, J.** (2010, May). *Parental involvement in virtual schooling: Using confirmatory factor analysis and exploratory factor analysis for instrument validation*. Annual Meeting of American Educational Research Association, Denver, CO, United States.
48. Peters, C. D., Kranzler, J. K., **Algina, J.**, Smith, S. W., & Daunic, A. P. (2010, March). *Disproportionality of minority students identified with EBD* [Presentation]. National Association of School Psychologists, Chicago, IL, United States.
49. McLaughlin, T., **Algina, J.**, & Snyder, P. (2010, February). *Using hierarchical multivariate linear modeling with the pre-elementary longitudinal study data: Preliminary analysis of social skills and problem behavior ratings* [Presentation]. Conference on Research Innovations in Early Intervention, San Diego, CA, United States.
50. Behnke, M., Eyler, F. D., Duckworth Warner, T., Leite, W. L., & **Algina, J.** (2009, May). *Precursors of delinquency and drug use in youth with prenatal cocaine* [Presentation]. Pediatric Academic Society, Baltimore, MD, United States.
51. Liu, F., Black, E. W., & **Algina, J.** (2009, November). *Involvement in virtual schooling: The validation of an instrument to measure parental involvement mechanisms using confirmatory factor analysis* [Presentation]. Annual Conference of American Evaluation Association, Orlando, FL, United States.

AWARDED CONTRACTS AND GRANTS

Development and Evaluation of Tools for Families (TFF): An Intervention to Promote Family Engagement in Embedded Instruction in Early Learning, US Department of Education, Institute of Education Sciences. 7/1/20 – 6/30/23. PI: Crystal Bishop. \$1,400,000. CO-PI.

Efficacy of Prime Online: Teacher Professional Development for Inclusive Elementary Mathematics Classrooms. US Office of Education, Institute of Educational Sciences. 8/15/18 – 8/14/22. PI: Cynthia Griffin. \$3,276,003. CO-PI.

Efficacy trial of I Control: An intensive intervention to improve self-regulation for middle school students with emotional & behavioral problems. US Office of Education, Institute of Educational Sciences. 7/1/18 – 6/30/22. PI: Stephen Smith. \$3,292,300. Investigator.

Evaluating a Social-emotional Learning Curriculum for K-1 Children at Risk for Emotional/behavioral Disorders. US Office of Education, Institute of Educational Sciences. 7/1/16 – 6/30/20. PI: Ann Daunic. \$3,499,958. CO-PI.

Impact of Professional Development on Preschool Teachers' Use of Embedded-Instruction Practices: An Efficacy Trial of Tools for Teachers, US Office of Education, Institute of Educational Sciences. 7/1/15 – 6/30/19. PI: Patricia Snyder. \$3,498,113. CO-PI.

Development and Validation of Treatment Integrity Measures of Classroom-Based Instructional Interventions in Early Childhood Settings, US Office of Education, Institute of Educational Sciences. 7/15/14 – 6/30/18. PI: B. McLeod. Investigator.

Examining the Efficacy of a Classroom-Wide Model for Promoting Social Emotional Development and Addressing Challenging Behavior in Preschool Children, US Office of Education, Institute of Educational Sciences. 3/1/2012 – 2/29/2016. PI: Patricia Snyder. \$1,261,595. CO-PI.

Postdoctoral Research Training Fellowship in Early Intervention and Early Learning in Special Education at the University of Florida, US Office of Education, Institute of Educational Sciences. 07/01/2012 – 06/30/2015. PI: Patricia Snyder. \$642,840. CO-PI.

Development of I Control: An executive function based intervention to foster self-regulation and improve social/emotional outcomes for middle school students with emotional & behavioral disorders, US Office of Education, Institute of Educational Sciences. 8/16/2011 – 8/15/2014. PI: Stephen Smith. \$1,487,494. Investigator.

Prime Online: Teacher Pedagogical Content Knowledge and Research-based Practice, US Office of Education, Institute of Educational Sciences. PI: Cynthia Griffin. 8/16/2010 – 8/15/2013. \$1,457,086. Investigator.

Religiosity and Adolescent Risk Behavior, John Templeton Foundation. PI: James Sheppard. 01/01/10 – 12/31/13. \$665,000. CO-PI.

The Influence of Collaborative Professional Development Groups and Coaching on the Literacy Instruction of Upper Elementary Special Education Teachers. PI: Mary Brownell. 7/01/2007 – 6/30/2010. \$2,049,920. Institutes of Educational Sciences. Investigator.

An Innovative Science-based Head Start Literacy Curriculum: Expansion and Evaluation of *Marvelous Explorations through Science and Stories (MESS)*. 10/01/2005 – 9/30/2006. \$397,143. Administration for Children and Families. Investigator.

Subcontract to Creation of an educational data warehouse for assessing student gains, teacher effectiveness, and school accountability. 6/99 – 6/00. \$45,760. Florida Department of Education. Principal Investigator.

American Educational Research Journal. 1/96 – 12/98. \$48,000. American Educational Research Association. Co-principal investigator.

Parent-child interaction therapy with preschool children. 7/92 – 6/95. PI: Sheila Eyberg. \$798,992. Public Health Service, United States Department of Health and Human Services. Co-investigator.

Journal of Educational Measurement. 1/90 – 12/92. \$24,000. National Council on Measurement in Education. PI.

Statistical methods for comparing schools and school districts. 6/86 – 3/87. \$17,507. State of Florida Department of Education. PI.

New directions in educational measurement. 1/85 – 5/86. \$50,000. State of Florida Department of Education. PI.

Investigation of joint maximum likelihood and marginal maximum likelihood procedures. 6/85 – 5/86. \$18,000. State of Florida Department of Education. PI.

Item preparation for Florida Teacher Certification Examination. 1/83 – 5/83. \$10,500. State of Florida Department of Education. PI.

Item review for Florida Teacher Certification Examination. 5/82 – 5/83. \$6,200. State of Florida Department of Education. PI.

UNIVERSITY GOVERNANCE AND SERVICE

University

Member, Social/Behavioral Review Panel—Research Opportunity Fund, 2008

Member, Graduate Council—2001-2004

Member, Faculty Advisory Committee—Dean Search, 1999-2000

Member, Faculty Senate, 1994-1995

Member, Peer Observation Task Force, 1995

Member, University Council on Teacher Education 1983-1995, 1997-1998

Member, Institute for School Assessment and Evaluation Policy Board, 1985-1989

Member, Faculty Evaluation Committee, 1987-89

Member, Graduate Council Fellowships Committee, 1986-1987

Member, Florida Educational Policy Group, 1986-1987

Member, Faculty Senate, 1984-85

College

Member, SESPECS Search Committee, 2012-2013

Member, Dean's Search Committee, 2011

Member, Faculty Policy Council, 2008-2011

Member, Budgetary Affairs Committee, 2008-2009

Co-chair, Budget and Reorganization Task Force, 2007

Member, Tenure and Promotion Committee, 2006

Member, Tenure and Promotion Committee, 2005

Chair, Search Committee for the Director of the Office of Educational Research and Inquiry, 2004

Member, Tenure and Promotion Committee, 2004

Member, Research Advisory Committee, 2003-2004

Member, Tenure and Promotion Committee, 2003

Chair, Tenure and Promotion Committee, 2001

Member, Search Committee—Department of Educational Psychology Chair Search, 1999-2000

Member, Honors Committee, 1998-1999

Member, Cost Accounting Standards, A subcommittee to the Research Advisory Committee, 1997-1998.

Member, College Development Committee, 1997-2001

Member, College Curriculum Committee, 1996-1997

Chair, Student Evaluation Task Force, 1994

Member, Research Advisory Committee, 1996-1999

Member, Tenure and Promotion Committee, 1995

Member, Curriculum Committee 1995-1997

Member, Search Committee-School Psychology, 1991

Member, Pre-Commencement Convocation Committee, 1987-1991

Chair, Search Committee-Chair of Special Education, 1987

Member, Graduate Committee, 1982-83

Member, Computer Advisory Committee, 1980-1981

Department

Chair, Search Committee-Research and Evaluation Methodology, 2011-2012

Chair, Research and Evaluation Methodology Admissions Committee 1995-2007, 2009-present

Chair, Search Committee-Research and Evaluation Methodology, 2004-2005

Chair, Search Committee-Research and Evaluation Methodology, 2000-2001

Chair, Search Committee-Research and Evaluation Methodology, 1999-2000

Chair, Search Committee-Research and Evaluation Methodology, 1998-1999

Chair, Search Committee-Research and Evaluation Methodology, 1996-1997

Member, Ad Hoc Committee on Evaluation, 2008

Member, Planning Committee, 1995-1996

Member, Faculty Evaluation Committee, 1995-1996

Member, Search Committee-School Psychology, 1992

Member, Educational Research Admissions Committee, 1986-1994

Chair, Search Committee-School Psychology, 1988-1989

Chair, Search Committee-Research and Evaluation Methodology, 1988-1989

Member, Doctoral Admissions Committee, 1979-1984

Member, Ad Hoc Committee on Faculty Evaluation, 1981-1982

GRADUATE STUDENT ADVISING

Supervision of Doctoral Students

Jin, R. (2012). Sample size in exploratory factor analysis with ordinal data.

Koo, N. (2012). Accuracy of estimates, empirical type I error rates, and statistical power rates for testing mediation in latent growth modeling in the presence of nonnormal data.

Min, Y. (2008). Robustness in Confirmatory Factor Analysis: The effect of sample size, degree of non-normality, model, and estimation method on size on accuracy of estimation for standard errors.

Wei, Y. H. (2008). Robustness of four multidimensional IRT scale linking methods.

Zhang, G. (2005). Confidence intervals for root mean square standardized effect size in one-way fixed-effects ANOVA.

Padilla, M. A. (2005). Type I error rates of the Kenward-Roger adjusted degree of freedom F -test for a split-plot design with missing values.

Wehry, S. A. (2001). Statistical methods for the analysis of designs including treatments delivered to groups and to individuals: an analytic and Monte Carlo study.

Mouder, B. C. (2000). An empirical investigation of methods for estimating latent variable interactions.

Chiremba, A. M. (1995). Direct versus indirect methods for the estimation of variance-covariance matrices and regression parameters when data are skewed and incomplete.

Kim, H. (1995). Robustness and power of procedures for pairwise multiple comparisons of repeated measures means in split-plot designs.

Nthangeni, M. E. (1995). Robustness and power of some alternative methods to the independent samples t-test when a difference in means is accompanied by a difference in variances.

Coombs, W. T. (1992). Solutions to the multivariate G-sample Behrens-Fisher problem based on generalizations of the Brown-Forsythe F^* and Wilcoxon H_m tests.

Lin, W.-Y. (1991). Robustness of two multivariate tests to variance-covariance heteroscedasticity and nonnormality when total sample-size-to-variable-ratio is small.

Shaw, S. R. (1991). Identifying processing deficits in learning-disabled children using reaction-time methodology.

Fendick F. (1990). The correlation between teacher clarity of communication and student achievement gains: a meta analysis.

Abdel-Fattah, A-F. (1990). Accuracy of item response theory parameter estimates using maximum likelihood and Bayesian procedures as implemented in LOGIST and BILOG.

Tang, K. L. (1989). Robustness of four multivariate tests under variance-covariance heteroscedasticity.

West, G. K. (1988). The construct validity of holistic writing score: An analysis of the essay subtest of the College-level Academic Skills Test.

Feliciano, S. (1986). Comparison of males and females item performance: Analysis of response patterns.

Seaman, S. L. (1984). Type I error probabilities and power of the rank transform and parametric ANCOVA procedures.

Co-Supervision (Co-chair) of Doctoral Students

Zhang, O. Observed score and true score equating for multidimensional item response theory under nonequivalent group anchor test design.

Cooper, L. A. (2007). The impact of nonnormality on the asymptotic confidence interval for an effect size measure in multiple regression.

Gregoire, M. (2002). Effects of augmented activation, refutational text, efficacy beliefs, epistemological beliefs, and systematic processing on conceptual change.

Seraphine, A. (1994). A power study of three procedures for the assessment of unidimensionality.

Oshima, T. C. (1989). The effect of multidimensionality on item bias detection based on item response theory.

Dixon, J. (1985). Assessing the unidimensionality of tests.

Supervision of Masters Students

Evran, D. (2012). Assessing measurement invariance: multiple group confirmatory factor analysis for differential item functioning detection in polytomous measures of Turkish and American students.

Padilla, M. A. (2001). Type I Error Rates for a One Factor Within-Subjects Design with Missing Values.

Chung, S. K. (1999). The power of Welch's t test when inequality in means is accompanied by inequality in variance.

Sedesse, B. L. (1997). The accuracy of small sample power analyses in selecting the more powerful tests in simple repeated measures designs.

Yoo, M. S. (1994). Testing equality of dependent correlation coefficients.

Service on Doctoral Supervisory Committees

I have served on the supervisory committees for 198 graduated UF doctoral students in 22 doctoral programs and for 44 graduated UF masters students in 5 masters programs.

COURSES TAUGHT

(* denotes a course that I developed)

EDF 6401 Educational Statistics

EDF 6403 Quantitative Foundations of Educational Research (Measurement, statistics, and computers)

EDF 6481 Quantitative Methods in Educational Research (ANOVA)*

EDF 6436 Theory of Measurement

EDF 7405 Advanced Quantitative Foundations of Educational Research (Regression)

EDF 7412 Structural Equation Models*

EDF 7432 Advanced Psychometric Theory

EDF 7439 Item Response Theory

EDF 7474 Multilevel Models*

EDF 7486 Methods of Educational Research

EDF 7931 Seminar in Educational Research: Bayesian Analysis*

EDF 7932 Multivariate Analysis in Educational Research*
