

The Anita Zucker Center for Excellence in Early Childhood Studies is leading the way to a future where every child experiences nurturing, responsive relationships and quality early learning experiences that create a strong foundation for future life success.

The **A to Z's of Early Childhood** offers robust, quality and up-to-date information and resources, including links to academic research and details to inform policy, with the intent to ensure that every child enters Kindergarten healthy, socially competent and ready to learn.

Accessible online and free for parents, caregivers, practitioners and policymakers, anyone can find short videos and quick tips on how to strengthen children's development all based on the science of early childhood development and training.
