

Anita Zucker Center Practice-Based Coaching

Practice-Based Coaching is an evidence-based coaching framework that supports practitioners' use of effective practices with children and their families.

The Anita Zucker Center for Excellence in Early Childhood Studies at the University of Florida, in collaboration with the Florida Division of Early Learning (FL-DEL), the Voluntary Pre-Kindergarten Program, and local Early Learning Coalitions, conducted a pilot of the Anita Zucker Center (AZC) Practice-Based Coaching (PBC) Initiative from 2023 to 2025.
